OR

My Child's Allergic Reaction First Aid Plan (Attached)

9. Is there anything else we should know about the participant's condition?

IMPORTANT NOTES

If any of the Key Questions 5, 6, or 7 are responded to:

- It is advised that you consult your doctor before attending camp.
- Your doctor may contact the teacher in charge of the camp at your school and/or Maroon Outdoor Education Centre (5463 6333).
- A letter from this person's doctor outlining the participant's allergic reaction management may accompany this form when it is returned. Included in the allergic reaction management plan could be the following:
 - Preventative steps to avoid allergic reaction.
 - Warning signs for the onset of a severe or anaphylactic allergic reaction.
 - Best strategies for obtaining relief.

NOTES FOR DOCTORS:

- Programs conducted at Maroon OEC involve a high level of physical activity and are conducted predominantly out of doors.
- Maroon OEC is a 30 minute drive from the nearest ambulance, doctor or hospital and, in some instances, the response time for medical attention may exceed 3 hours.
- When advised Maroon Outdoor Education Centre staff will carry anti-histamine tablets (brand/strength) and epi-pens in their first aid kits and are trained to an intermediate first aid level.

I declare that the information provided on this form is complete and correct.
