

Each column below provides an example of an activity sequence for our different program types and variations. If you have multiple groups attending camp or other schools are booked in, the activities will be programmed at different times. For example, not every group can do high challenge at the same time. Please note, this is not an exhaustive list of activities or campsites, your Maroon OEC coordinator will discuss suitable options with you.

Program type		Teamwork, Resilience, Connection and Leadership Adventure Programs					Curriculum	VETis		Learning on Country
Variation	Upper Primary	Lower Secondary	Upper Secondary	Special School	Leadership Workshop	Health	Bushwalking	Canoeing
