		PARENTAL CONSENT	

I have:

- provided current medical and special dietary information for my child on the Student Information form including details of medication being taken with my consent.
- read the Student Responsibilities' section of the Information for Parents form. https://maroonoec.eq.edu.au/planning-your-visit

I understand that:

- students MUST NOT attend if they are unwell.
- I will be required to collect my child if they become unwell, including cold or flu like symptoms, whilst at Maroon OEC.
- I will be required to collect my child if they are unable to follow the Student Responsibilities' as outlined in the Information for Parents form.
- no refunds will be provided should my child return home before the end of the program.
- Maroon OEC programs involve a high level of physical activity, are conducted predominantly out of doors and contain activities such as rock climbing, abseiling, high ropes, canoeing, kayaking, swimming, bushwalking and camping in tents at Maroon OEC or off-site camp sites.
- it is a 30 minute drive to Maroon OEC from the nearest ambulance, doctor or hospital and in some instances, such as camping and bushwalking, the response time for medical attention may exceed 3 hours.
- the Department of Education does not have personal accident insurance cover for children/students. If your child is injured as a result of an accident or incident while participating in the activity, all costs associated with the injury, including medical costs are the responsibility of the parent/carer. Some incidental medical costs may be covered by Medicare. If you have private health insurance, some costs may also be covered by your provider. Any other costs must be covered by parents/carers. It is up to all parents/carers to decide the type/s and level of private insurance they wish to arrange to cover their child. Please take this into consideration in deciding whether or not to allow the child/student to participate in this activity.
- the Department of Education is collecting the personal information in this form in order to:
 - o obtain consent for the named child/student to participate in the named off-site activity;
 - help coordinate the off-site activity;
 - o respond to any injury or medical condition that may arise during or as a result of the off-site activity; and
 - o update school records where necessary.
- this information will only be accessed by authorised departmental staff. The information will not be disclosed to any other person
 or agency unless we have your consent or we are required or authorised by law to do so e.g. in compliance with relevant
 Queensland Chief Health Officer's Directions.

I give consent for:

- my child to participate in the program.
- my child to be driven in a Maroon OEC vehicle driven by a Maroon OEC staff member.
- a tick or leech to be removed under the direction of a trained Maroon OEC staff member.
- the Principal or their representative to obtain medical attention deemed necessary.
